

WASHINGTON SOIL & WATER CONSERVATION DISTRICT

Educational Programs

We offer a variety of programs designed to promote environmental, agricultural and conservation education topics to Schools and Programs within Washington County. Visits are free of charge and designed to correlate with Ohio's Learning Standards and Model Curriculum.

Educational Program Topics

*These are just a few of the program topics we offer. Topics can be formatted to fit any grade level and number of students. Please ask if a topic you are interested in is not listed!

- » Agricultural Connections
- » Erosion
- » Habitats and Ecosystems
- » Skulls and Furs
- » Soil Science
- » Tracks
- » The Lorax (Conservation and Deforestation)
- » Water Cycle
